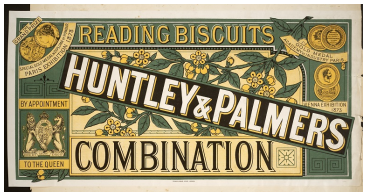
Year 6 Spring 2025

Welcome back Year 6

We wish you all the best for 2025. We hope you have had a wonderful break and are ready to start a new term filled with rich and varied challenges and experiences. We look forward to a term of exciting learning, building on all the hard work the children did last term.

The Victorians



This term we will be continuing our learning about the Victorians. We will be learning about the British Empire and key Victorian figures before completing focused study around Reading and the 3Bs.

Spanish

The focus will be learning to talk about what we do on the weekend and planets.

Science: Light

The first half of the term will be spent investigating light. The main areas of focus will be refraction, reflection, the structure of the eye and how it works.

English

Our book for the whole term will be Cogheart and most of our writing will be based around this text. We will be looking at a range of different fiction and non-fiction writing and children will be able to develop their skills writing both formally and informally. There will be a strong focus on grammar, punctuation, spelling and the need to present work neatly. Master Reader and spelling shall continue weekly.

Maths

This term we will continue to develop and embed our calculation skills. We will focus on problem solving and reasoning; fractions, decimals and percentages; ratio and shape, including angles and area. We shall continue with our daily times table skills and we ask that you please continue to help your child learn all the multiplication and division facts up to 12 x 12 and 144 divided by 12.

RE: We shall be exploring ideas about Christianity with a focus on Easter.
PE: PE will take place on Tuesdays and Fridays.
The children will continue to develop and master their sports skills every week. We shall be doing weekly basketball and gymnastics.

- We will continue to work on spelling the words from the Years 5 and 6 statutory spelling list. In addition to this, we will have a weekly spelling focus e.g. homophones or a particular letter string.
- Weekly English homework will be set each Friday and tasks will need to be completed by the following Friday. Maths homework will be on Eedi, unless otherwise advised. It is an expectation that all children will do their homework in the given time. Homework club is available to all children in Year 6 on a Monday lunchtime.
