Dear Parent,

Our School Milk Scheme

In line with the government's new School Food Plan, our school now provides a milk scheme that is available to all of our pupils. School milk is free for all under-fives and is subsidised for pupils aged five years or over at 22p per day.

Each pupil that registers with Cool Milk will receive a 189ml portion of semi-skimmed milk or lactose-reduced everyday, which is delivered fresh and chilled to the classroom just prior to morning break.

How to Register

Milk is completely **free** for all children aged under five and is **subsidised** for children aged five years or over.

Simply register at www.coolmilk.com or complete a registration form available from our school.

My child is under five

- Just register your child online at www.coolmilk.com or by completing a registration form from the school.
- Once received and registered, free milk will continue until the Friday before your child's fifth birthday. You will receive a payment request three weeks before this time- if you wish your child to continue to receive school milk simply make a payment.

My child is five or older

- Complete a registration form or register online at www.coolmilk.com as soon as possible. When completing on line you are then able to make an immediate payment for your child. Alternatively, you will receive a payment request within 48 hours after registering.
- You can pay Cool Milk either online, over the phone, at a local PayPoint or by cheque in half-termly, termly or annual instalments.
- Please pay by Tuesday 5pm for your child's milk to start the following week.
